42.204 Supporting contract administration.

(a) A CAO assigned a contract for administration under 42.202 or a contracting office retaining administration under 42.203 may request supporting contract administration from the CAO cognizant of the contractor location where performance of specific contract administration functions is required. The request shall (1) be in writing, (2) clearly state the specific functions to be performed, and (3) be accompanied by a copy of pertinent contractual and other necessary documents.

(b) The prime contractor is responsible for managing its subcontracts. The CAO's concern with subcontracts is normally limited to evaluating the prime contractor's management of them (see part 44). Therefore, supporting contract administration shall not be used for subcontracts unless (1) the Government would otherwise incur undue cost, (2) successful completion of the prime contract is threatened, or (3) it is authorized under paragraph (c) below or elsewhere in this regulation.

(c) For major system acquisitions (see part 34), the contracting officer may designate certain high-risk or critical subsystems or components for special surveillance (see 44.205) in addition to requesting supporting contract administration. This surveillance shall be conducted in a manner fully consistent with the policy of calling upon the cognizant CAO to perform contract ad-

ministration functions at a contractor's facility (see subpart 42.1).

42.205 Designation of the paying office.

If the information is available, the contracting officer shall enter on the contract the name and address of the office designated under agency procedures to make payments on the contract. Unless agency acquisition regulations otherwise provide, the assignment of contract administration to a CAO does not affect the designation of the paying office.

42.206 Reassignment of contract administration.

(a) The administrative contracting officer at the CAO of initial assignment shall reassign a contract for administration when the need for reassignment results from (1) an incorrect initial assignment, (2) organizational transfer of the cognizant CAO, (3) establishment or disestablishment of a CAO, or (4) a change in a CAO's geographical responsibility.

(b) The contracting officer at the contracting office shall reassign a contract for administration when reasons other than those in paragraph (a) above make reassignment appropriate.

(c) To reassign a contract, the responsible contracting officer shall use a unilateral contract modification. The CAO of initial assignment shall transfer the contract file and necessary supporting documents to the successor CAO.

(d) When warranted by a change in circumstances and approved at a higher level, a contracting officer may recall a contract or function previously assigned for administration.
